Finnair AY4159 - Honka HJ4169 Code Share Cruise

Based on the success of last three year's cruises we have again decided to start off the FCCJ Autumn season in style and with some great fun, please join us for the

Finnair AY4159 - Honka HJ4169 Code Share Yakatabune Cruise

on **Thursday, 29 August 2013**

We have chartered our own Yakatabune boat. It starts at Asakusabashi touring down Sumida River to Odaiba and back in 2.5 hours. During the cruise you could enjoy a great Japanese tempura-sashimi dinner and drinks in the "all-you-can-eat & drink" style.

A Yakatabune Cruise is a memorable experience as such, but we promise to have some additional attractions onboard, including lotteries from our sponsors for a lot of nice prizes!

We expect the event to be sold out this year as well, so please sign up soon to secure your seats!

For more information, see below!

What is a Yakatabune Cruise
 Yakatabune is a traditional Japanese flat-bottom party boat. (Yakatabune literally means "roof-shaped boat"). Partying on yakatabune is an ancient tradition. Long before air conditioning, the boats were a fun and effective way to escape the stifling heat of summer. They still are.
